**BOARD OF DIRECTORS' REPORT**

We are pleased to submit our report in respect of the company's business activities during the first quarter of the year 2025 together with our Auditor's report in addition to the summary of financials for the period ended 31 March 2025.

In the first quarter of 2025, the UAE economy exhibited robust growth, with a GDP increase of 3.4% year-on-year. This expansion was primarily driven by a rise in the non-oil sector, underscoring the nation's commitment to economic diversification. The UAE's insurance sector continued its upward trajectory in the first quarter of 2025. This growth is attributed to increased demand for insurance products, driven by economic expansion, population growth, and mandatory insurance schemes. Overall, the UAE's economic and insurance sectors demonstrated resilience and adaptability in Q1 2025, positioning the country for sustained growth in the coming quarters.

The main highlights of the company's Financial Results for the period ended 31 March 2025 can be summarized as follows:

**Report on review of the condensed interim consolidated financial information
To the Shareholders of Al Ain Ahlia Insurance Company P.S.C.****Introduction**

We have reviewed the accompanying condensed interim consolidated statement of financial position of Al Ain Ahlia Insurance Company P.S.C. (the “Company”) and its subsidiaries (collectively referred to as “the Group”) as at 31 March 2025, and the related condensed interim consolidated statements of profit or loss, other comprehensive income, changes in shareholders’ equity, and cash flows for the three-month period then ended and other related explanatory notes. Management is responsible for the preparation and presentation of this condensed interim consolidated financial information in accordance with International Accounting Standard 34 (“IAS 34”) *Interim Financial Reporting*. Our responsibility is to express a conclusion on this condensed interim consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of condensed interim consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial information is not prepared, in all material respects, in accordance with IAS 34 “*Interim Financial Reporting*”.

2 Basis of preparation (continued)

2.4 Basis of presentation

The Group presents its condensed interim consolidated statement of financial position in order of liquidity.

2.5 Basis of consolidation

This condensed interim consolidated financial information incorporate the financial information of the Group and its subsidiaries. Control is achieved when the Group:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The consolidated financial information includes:

Name of subsidiary	Principal activity	Country of incorporation
Al Bandar Investment owned by Al Ain Ahlia Insurance One Person Company LLC	Investment management in commercial enterprises, retail trade enterprises, oil and natural gas, agricultural enterprises, industrial enterprises, educational enterprises, and tourist enterprises.	United Arab Emirates
Al Bandar Rotana Hotel	Hotel apartment rentals	United Arab Emirates

Al Ain Ahlia Insurance Company P.S.C. has control over the above company and derives economic benefit from equity holdings. The Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity via management agreements and accordingly, the entity is consolidated as wholly owned subsidiary in this consolidated financial information. Accordingly, the consolidated financial information incorporates 100% of the assets, liabilities, income, and expenses of the above company.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

3 Material accounting policies

The accounting policies, critical accounting judgments and key sources of estimation used in the preparation of this condensed interim financial information are consistent with those used in the audited financial statements for the year ended 31 December 2024, except for application of new standards effective as of 1 January 2025 and several amendments and interpretations apply for the first time in 2025.

3.1 Application of new and revised International Financial Reporting Standards ("IFRS")

Title	Effective date
Amendments to IAS 21 Lack of Exchangeability Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	1 January 2025

This amendments to the standard have been adopted by the Group and do not have a material impact on the condensed interim consolidated financial information.

3.2 Standards, amendments and interpretations to existing Standards that are not yet effective and have not been adopted early by the Company

Standard	Title	Effective date
IFRS 9 & IFRS 7	Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures regarding the classification and measurement of financial instruments	1 January 2026
	Presentation and Disclosure in Financial Statements	1 January 2027
IFRS 18		
IFRS 19	Subsidiaries without Public Accountability: Disclosures	1 January 2027

These standards, amendments and interpretations are not expected to have a significant impact on the condensed interim consolidated financial information in the period of initial application and therefore no disclosures have been made.

3.3 Financial risk management

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial information as at and for the year ended 31 December 2024.

3.4 Use of estimates and judgements

The preparation of this condensed interim consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this condensed interim consolidated financial information, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation and uncertainty were the same as those that were applied to the consolidated financial statements as at and for the year ended 31 December 2024.

17 Segment reporting

17.1 Segment revenue and results

The Group has two reportable segments, as described below, which are the Group's strategic business units. The strategic business units are managed separately because they require different approach, technology and marketing strategies. For each of the strategic business units, the Chief Operating Decision Maker (CODM) reviews internal management reports on at least a quarterly basis.

The following summary describes the two main business segments:

- Underwriting of general insurance business - incorporating all classes of general insurance such as fire, marine, motor, medical, general accident and miscellaneous.
- Investments - incorporating investments in marketable equity securities and investment funds, development bonds, term deposits with banks and investment properties and other securities.

18 Fair value of financial instruments

Financial instruments comprise financial assets and financial liabilities. Financial assets consist of statutory deposits, investments carried at fair value through other comprehensive income, insurance receivables, deposits, bank balances and cash, and certain other assets. Financial liabilities consist of insurance payables, and certain other liabilities.

The fair values of the financial assets and liabilities are not materially different from their carrying values.

The following table shows the analysis of financial instruments recorded at fair value by level of the fair value hierarchy as at 31 March 2025 and 31 December 2024:

	Level 1 AED'000	Level 2 AED'000	Level 3 AED'000	Total AED'000

19 Contingencies and commitments (continued)

The Group is subject to litigation in the normal course of its business. Although the ultimate outcome of these claims cannot presently be determined, the management, based on advice from independent loss adjusters and internal legal counsel, has made a provision of AED 12.83 million (31 December 2024: AED 12.71 million) representing amounts expected to result in a probable outflow of economic resources.

20 Capital Risk Management

The solvency regulations identify the required Solvency Margin to be held in addition to insurance liabilities. The Solvency Margin (presented in the table below) must be maintained at all times throughout the year. The Group is subject to solvency regulations which it has complied with during the year. The Group has incorporated in its policies and procedures the necessary tests to ensure continuous and full compliance with such regulations. The table below summarises the Minimum Capital Requirement, Minimum Guarantee Fund and Solvency Capital Requirement of the Group and the total capital held to meet these required Solvency Margins.
